

Expressions of Interest sought for RCPI representative to the Board of the Faculty of Pain Management

Expressions of interest are being sought for the position of RCPI representative to the Board of the Faculty of Pain Management.

Doctors with a background in/or whose interests overlap with chronic pain and who will assist in reviewing the Faculty of Pain Management's new training programme as they implement it over the coming two years are encouraged to apply.

The RCPI representative will be a co-opted member of the board (non-voting member) for a 2-year term.

4/5 Meetings per year (hybrid) for 1 hour on Mondays at 6pm.

Please send expressions of interest along with your current CV marked for the attention of Prof Trevor Duffy, RCPI Head of Healthcare Leadership, via email corporateoffice@rcpi.ie

For further details please see:

- [Standing Orders Faculty of Pain Management](#)

The Faculty of Pain Management training programme has recently been approved by the Medical Council and the Faculty now operates a two-year run through Higher Specialist Training Programme in Pain Medicine. The new curriculum document can be found on their website via the links below.
