

Notice to Candidates for the Examinations of the Faculty of Occupational Medicine

2011

The Examinations Committee of the Faculty of Occupational Medicine has revised the examinations regulations for LFOM and MFOM applicable from 2011 onwards. The main changes are as follows:

LFOM – the portfolio requirement will be five clinical cases.

MFOM – the portfolio requirement will be ten clinical cases and five other projects.

As the revised regulations have been updated to include additional guidance for the preparation of portfolios - prospective candidates for the LFOM and MFOM should ensure that they read the new regulations which have been placed on the examinations section of the college website <http://www.rcpi.ie/examinations/Pages/Examinations.aspx>
