

Advocacy and the Faculty: Global Health

Dr. David Weakliam

Winter Scientific Meeting

8th December 2010

Mission of College:

- ...to promote health nationally and internationally

Aim of Faculty engagement in international health:

- To benefit practice of PHM in Ireland
- To contribute to improving health in developing countries

Health is Global

- Universal 'right to health'
- Shared problems require shared solutions
- We can learn from other countries

Global Health Advocacy
