in management of common medical  
conditions presenting on call

Part VI:  
Nephrology Session

# Part VI: Nephrology Session

# MASTERCLASS

Series: *Treating the Acutely Ill Patient*

Wednesday, 4 June 2008

Part VI: Nephrology Session

## Programme

Keeping up to date on evolving medical practice outside your own subspecialty area is challenging. To facilitate your continuing medical education needs the College continues with this Masterclass Series which focuses on optimum early management and what should be done in the crucial first 24 hours. Recent advances in management of common medical conditions that frequently require hospital admission will be highlighted. Early intervention that may prevent hospital admission or facilitate appropriate discharge will be also be addressed.

The programme for the Nephrology Session is detailed below. There will be four topics each of 30-minute duration with 10 minutes for discussion after each presentation. There will also be two 'update presentations' of 10-minute duration.

TIME	TITLE	SPEAKER	CHAIR	
<b>15.55</b>	<b>Welcome</b> by Masterclass Series Convenor, <b>Dr Diarmuid O'Shea</b>			
16.00 – 16.30	The 50-year old presenting with acute renal failure – pitfalls and management	<b>Dr Kieran Hannan</b> Cavan General Hospital	<b>Dr David Lappin</b> Merlin Park University Hospital, Galway  and <b>Dr Peter Conlon</b> Beaumont Hospital, Dublin	
16.30 – 16.40	<i>Discussion</i>
