

ROYAL COLLEGE OF PHYSICIANS OF IRELAND

Roll of Honorary Fellows

1798 - 2008

Honorary Fellowship of the Royal College of Physicians of Ireland

Admission to Honorary Fellowship is the highest honour the College can bestow. This honour is reserved for world leaders in medical science and exceptional contributors to the welfare of our communities both nationally and internationally. These nominees are distinguished in their field and value an association with the College but do not have to be medically qualified.

For further information on Honorary Fellowship of The Royal College of Physicians of Ireland please contact:

Karen Doyle,
