Membership of the Faculty of Public Health Medicine

The pass rates for public health examinations below are based on three years of aggregate data, i.e. 2020-2022.

MFPHMI Part I

% of candidates passing between 2020-2022*
86%

**Note: the pass rate is reported by candidate (which may include more than one attempt), and not per examination sitting.*

MFPHMI Part II

% of Public Health Reports (PHRS) passing between 2020-2022*
73%

**Note: the pass rate provided is by report submitted, rather than by candidate. Each candidate has to submit and pass two PHRs.*

MFPHMI Part III Oral Examination of Professional Competence

% of candidates passing between 2020-2022*
100%

**Note: due to the COVID-19 pandemic there were no sittings of the General Oral in 2020, sittings were recommenced in 2021. The Part II General Oral has been replaced by the Part III Oral Examination of Professional Competence (OEPC) in 2022.*

Membership of the Faculty of Occupational Medicine

The pass rates for MFOM examinations below are based on three years of aggregate data, i.e. 2020-2022.

Exam	2020-2022 Average
