Membership of the Faculty of Public Health Medicine

The pass rates for public health examinations below are based on three years of aggregate data, i.e. 2022-2024.

MFPHMI Part I Written

% of candidates passing between 2022-2024*
85 %

**Note: the pass rate is reported by candidate (which may include more than one attempt), and not per examination sitting.*

MFPHMI Part II (Public Health Reports)

% of Public Health Reports (PHRS) passing between 2022-2024*
86 %

**Note: the pass rate provided is by report submitted, rather than by candidate. Each candidate has to submit and pass two PHRs.*

MFPHMI Part III (Oral Examination of Professional Competence)

% of candidates passing between 2022-2024*
80 %

**Note: The Part II General Oral has been replaced by the Part III Oral Examination of Professional Competence (OEPC) in 2022.*

Membership of the Faculty of Occupational Medicine

The pass rates for MFOM examinations below are based on three years of aggregate data, i.e. 2022-2024.

Exam	2022-2024 Average
MFOM Written	22 %
MFOM Portfolio	83 %
MFOM OSPE	60 %
