

HST Supporting Documents Requirements & Checklist

- ❖ The following documents **must** be uploaded to your application.
- ❖ Applications without these required documents **will not** be accepted.
- ❖ Please submit documents in PDF format and use clear naming conventions.

	Document	Description	✓
1.	Certificate of Completion of Basic Specialist Training	<ul style="list-style-type: none"> • A scanned copy of your BST certificate of completion in the relevant specialty if BST was completed in July 2022 or earlier. • If you are currently in Year 2 of your RCPI BST Programme (to complete in July 2023) you are exempt from this requirement. <i>Please note <u>only</u> applicants currently in Year 2 of BST will be exempt. All others must be certified.</i> 	
2.	Evidence of postgraduate qualification, such as MRCPI	<ul style="list-style-type: none"> • For most specialties you must have achieved a postgraduate qualification such as MRCPI. Please check the relevant HST curriculum for the specialty you are applying for here. • If your qualification was issued by RCPI, you do not need to upload your MRCPI certificate, we will verify your qualification. • If your qualification was not issued by RCPI, please upload a scanned certified copy of the certificate naming it as “MRCPUK” or “Equivalent Certificate”. • If you are currently in Year 2 of a RCPI BST Programme (to complete in July 2023) you may sit your Clinical exam in Autumn 2022. However, you <u>must</u> have your passing exam results confirmed by January 2023 to be considered for HST. <i>Please note this exception applies <u>only</u> to applicants currently in Year 2 of BST. All others must be certified.</i> 	
3.	Proof of Irish Medical Council Registration / Eligibility for Registration	<ul style="list-style-type: none"> • PDF copy of current Medical Council Certificate confirming registration on one of the divisions of the IMC. • If not currently registered, PDF copy of last IMC registration certificate • If you are not currently and have never been registered on one of the divisions of the IMC, you may be considered automatically eligible for registration if you completed your medical degree in one of a list of EU countries. Please refer to this document to see if your country is on the list. If your country is listed, please submit PDF copy of your medical degree from that country. • If you do not fall into one of the above categories, please contact the IMC and ask them to provide a letter confirming your eligibility for registration and submit this with your application.
