Training and Educational Opportunities

There is exposure to very diverse pathology and excellent library facilities with online services. We offer the opportunity to work with an enthusiastic approachable faculty and avail of each department's teaching activities.

Support Available

There are library facilities, free parking and good on call accommodation.

Travel and Accommodation

The area is well served by public transport. Bookaroom.ie is an easy way to find accommodation in Waterford.

The Local Area

We are in close proximity to broad range of sporting and recreational activities. The coast and mountains are all nearby.
